

What Will the CFDA/*Vogue* Fashion Funders Do This Weekend Before the Big Awards Gala?

Max Osterweis and Erin Beatty, *Suno*

"On Saturday I'll have brunch with old friends and then clean up my house because I just did a little renovation," says Osterweis. "Then on Sunday I'll go for a run across the Williamsburg Bridge and back before watching the 49ers and Giants football game and maybe *Boardwalk Empire*."

"I'm heading to the Great Jones Spa with my sister for a massage and then on to the gym—a place I've seen little of since our spring show!" Beatty says. "I'll also get my hair cut before the awards ceremony with my amazing stylist of eleven years (yes really!) Kate Schlichter at Bumble and Bumble. And, of course, we need to get started sketching for fall 2012. Hopefully I can fit in a cozy dinner with friends at Bar Pitti, my local."
